

Central Maryland Transit Development Plan

Planning the Future of Transit in Our Region

Executive Summary

Prince George's County

Maryland

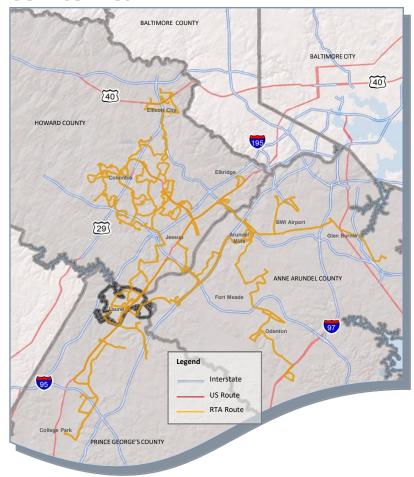

- Guide public transit service improvements in Central Maryland region over next 5 years.
- Opportunity to engage public & stakeholders about what transit should look like.
- Study required by MTA, funded by MTA.
- Public hearings required before implementation actions, implementation depends on funding.

Partners

- Anne Arundel County
- Howard County
- Northern Prince George's County
- City of Laurel
- Regional Transportation Agency of Central Maryland (RTA)
- Maryland Transit
 Administration

Service Area

RTA Service

- 15 bus routes (8 Howard Transit, 7 Connect-A-Ride in Anne Arundel County and Prince George's County)
- RTA ADA complementary demand-response service within
 3/4 mile of all fixed-routes (including Anne Arundel County)
- Operates Monday-Sunday
- Fares
 - Regular one-way \$2.00, Reduced one-way \$1.00, Transfer \$1.00
 - > \$4.00 ADA trips for non-Howard County residents
- Key destinations include Arundel Mills, BWI Airport,
 Columbia Mall, Towne Centre at Laurel, College Park Metro
 Station & Odenton MARC Station

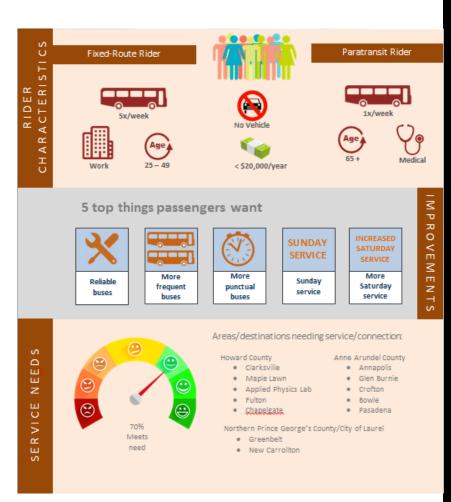

- Demographics and Land Use
- Public and Stakeholder Input
 - Fixed-Route Rider Survey
 - Paratransit Rider Survey
 - Community Survey
 - Public meetings and Stakeholder input
- Review of Existing Services
- Service Alternatives

- Transit Plan
 - Routes and Services
 - Fleet Replacement and Expansion
 - Fare Collection
 - Facilities
- Future Transit Development
 - Beyond Five Years

Key Aspects

- Connect residents to jobs and education
- Improve service reliability
- Increase frequency of service
- Expand weekend service
- Develop new local services and cross-county routes connecting activity centers

Anne Arundel Strategies

- Expand frequency and span of service, minor routing changes on existing RTA routes in the County
- Develop Call N'Rides as a new kind of community based demand-response service in limited areas:
 - Providing local access
 - Connecting to existing and new MTA and RTA services
- Developing new cross-county routes connecting activity centers

Recommended Services

- Phase 1: Improve Existing Services
- Phase 2: Call N'Rides Initial implementation
- Phase 3: New Route Connections-Annapolis to Arundel Mills/BWI
- Phase 4: New Route Connections/Expansions-Anne Arundel Community College-Severn-NSA/Fort Meade
- Phase 5: New Route Connections Crofton/Waugh Chapel Connections

Route 201:

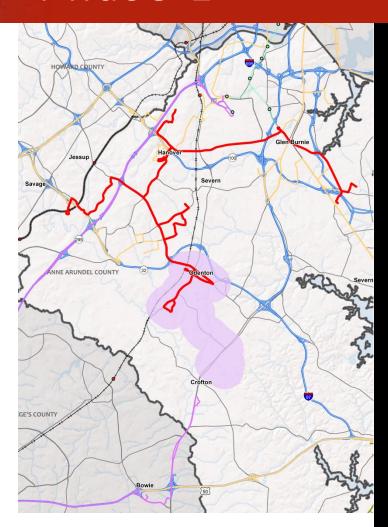

- Extend service from Freetown Village to Walmart
- Frequency improved to 30 minute peak, 45 minute midday and evening

Route 202:

- Extend service to Coca-Cola facility
- Daily service to Odenton Marc
- Frequency improved to 35 minutes peak, 45 off-peak

Route 504:

- Improved frequency of fixed-route service to 30 minutes in peak
- Phase 1 improvement cost: \$1.6 million

- Riviera Beach Call N'Ride
- Patapsco Light Rail Station to Glen Burnie District Court Call N'Ride
- Patapsco Plaza to Cromwell Light Rail Station Call N'Ride
- Glen Burnie Call N'Ride

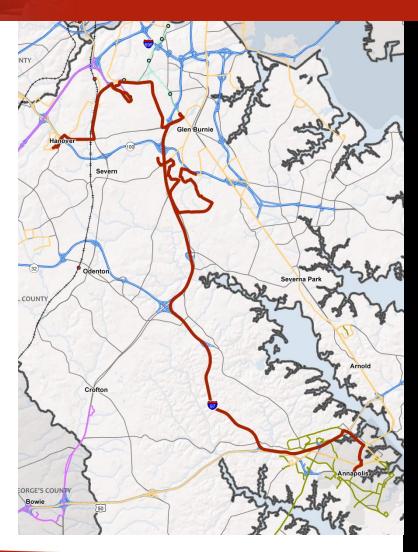

• Phase 2 improvement cost: \$2.6 million

- New Fixed-Route Annapolis to Arundel Mills/BWI
- South Glen Burnie Call N'Ride
- Additional ADA service to support new route coverage

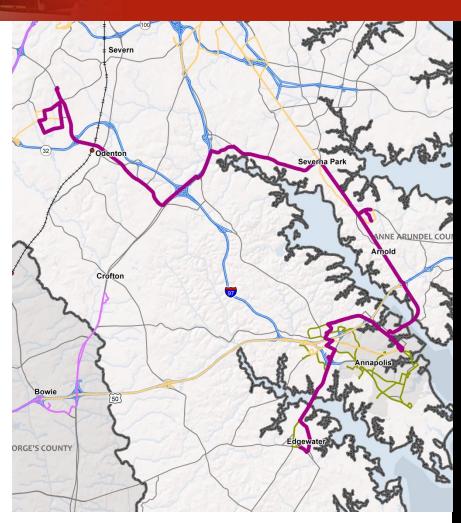

• Phase 3 improvement cost: \$2.1 million

- New Fixed-Route Anne Arundel Community College-Severn-NSA
- Improvements to County service on Annapolis Transit Gold Route
- Additional ADA service to support new route coverage

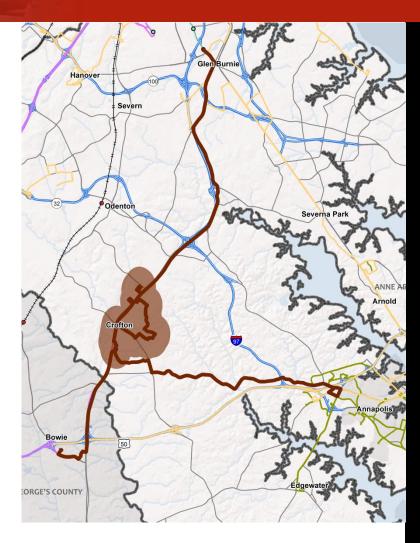

Phase 4 improvement cost: \$1.8 million

- New Fixed-Route Crofton to Annapolis Mall
- Crofton area Call N'Ride service
- New Fixed-Route Bowie Town Center-Crofton-Cromwell Light Rail Station
- Additional ADA service to support new route coverage

Phase 5 improvement cost: \$2.4 million

Fleet Replacements:

- Anne Arundel portion of RTA fleet is 6 vehicles, 4 just replaced
- Additional vehicle for RTA ADA service needed, plus additional replacement of 2
- Fleet Replacement Cost: \$2,130,203

Anne Arundel share of new fare collection system:

 Modern registering fareboxes to improve revenue control and data collection, allow for regional transfers (MTA and WMATA)

Expansion Vehicles:

- Phase 1: 2 Medium-Duty Transit Buses
- Phase 2: 10 Cutaway Small Buses
- Phase 3: 3 Cutaway Small Buses, 3 Medium-Duty Transit Buses
- Phase 4: 3 Medium-Duty Transit Buses
- Phase 5: 4 Heavy-Duty Transit Buses, 2 Cutaway Small
- Total fleet of 37 at end of five-phase expansion
- Total capital cost for expansion:\$9,768,303

- Basic performance and service improvements
 - Replace older, unreliable buses that are outdated and expensive to maintain
 - Streamline fare structure
 - Improved bus stops and bus shelters
- System reconfiguration and service expansions within 18 months (after public hearings)
 - Routes that better align with riders' needs
 - More shorter routes versus fewer longer routes within same service area
 - More direct routes and shorter travel times
 - More weekend and evening service, shorter headways

- 3 plus year vision for service expansion
 - Local service Maple Lawn (via APL); Elkridge (via Long Reach), River Hill (via HCPS headquarters); Turf Valley
 - Bus Rapid Transit to Silver Spring
 - Downtown Columbia to Gateway transit corridor

Mobility

- Options to address the high cost and rising demand for demandresponse services
- Ideas suggested to focus mobility services to where needs are greatest
- Discussions with affected communities beginning in Spring/Summer of 2018

Recommended Services

Phase 1

- More shorter routes, fewer longer routes 14 proposed routes verses 9 today.
 - 14 Proposed Routes 10 entirely within Howard County and 4 regional
 - 9 Existing 6 entirely within Howard County and 3 regional
- Half-hour headways on 4 key routes, Monday to Saturday during daytime hours.
- Increase weekend service
- Increase overall level of service 132,400 annual service hours in Phase 1 versus 109,500 today.
- Reduce travel times on many routes (e.g. Route 405 Columbia Mall to Ellicott City and Route 406 – Columbia Mall to Columbia Gateway).
- Virtually no loss in service Only 2 stops out of 500 (on Route 408 at Millrace Ct. and Carriage House Lane – nearest stop will be 1,000 feet away).
- Implement in Winter/Spring 2019.
- Annual operating cost increase of \$1.3 million on top of existing \$8.3 million.

Recommended Services

Phase 2

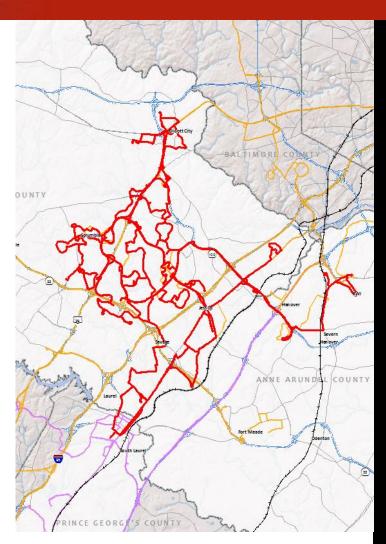

- Expand service to areas not currently served
 - Maple Lawn via APL
 - Elkridge via Long Reach
 - River Hill via HCPS headquarters
 - Turf Valley
 - Catonsville (with MTA and Baltimore County support)
- Increase overall level of service An additional 39,388 annual service hours over Phase 1 totaling approximately 171,788 overall
 - Increase number of routes
 - Increase number of route with half hour frequency
 - Increase number of routes on weekends
 - Time of expansions dependent on funding and community interest/support

Howard County Phase 1

- Route 401 More ½ hour service during midday & Sat.
- Route 402 New route with more direct north-south between major shopping centers.
- Route 403 Serves southern portion
 of existing Route 405. Shorter route
 in central Columbia.
- Route 404 Serves northern portion
 of existing route; shorter more
 efficient route.
- Route 405 Serves norther portion of existing route; more direct alignment.
- Route 406 Shorter, more direct alignment.
- Route 407 Increase frequency between Columbia Mall and Owen Brown.

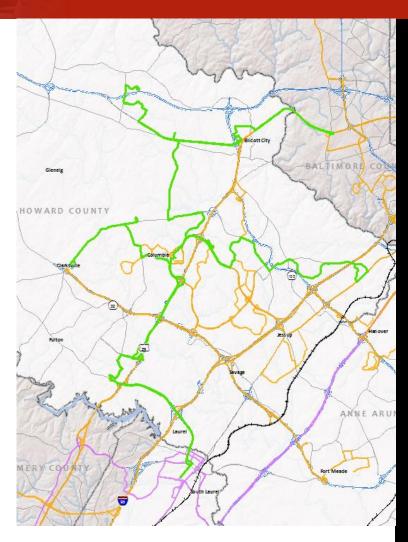

- Route 408 Shorter, more direct alignment.
- Route 409 Split into 409A & 409B; ½ hour on 75% of route.
- Route 410 New route serving portions of existing Route 406.
- Route 411 New route serving portions of existing Route 404.
- Route 501 No longer serve BWI; BWI served by 505 or shuttle.
- Route 503 No Change.
- Route 505 New route serving portions of existing 406 and 501. Express to BWI.

Howard County Phase 2

- Route 410 Extension to Elkridge via Long Reach; Expansion Route
- Route 412 Columbia Mall to River Hill via HCPS Headquarters; Expansion route.
- Route 413 Columbia Mall to Turf Valley;
 Expansion route.
- Route 414 Columbia Mall to Towne Center Laurel via Maple Lawn; Expansion route.
- Ellicott City to Catonsville; Expansion route with MTA and Baltimore County support.

Fleet Replacements:

- Continue to bring fleet to state of good repair; eliminate over age vehicles, and provide for adequate spares to provide reliable service
- Howard County portion of RTA fleet fixed-route fleet is 36 vehicles, 12 of which were eligible for retirement in FY2017; 11 in FY2018; 5 in FY2019; 3 in FY2020; and 2 in FY2023.
- 13 new buses are currently on order (including 3 buses for implementation of Phase 1)
- Fleet Replacement Cost: \$5,896,711 (excludes amount funded in FY2017 and FY2018)

Howard County share of new fare collection system:

 Modern registering fareboxes to improve revenue control and data collection, allow for regional transfers (MTA and WMATA)

- Expansion Vehicles:
 - FY2018: 5 Medium-Duty Transit Buses
 - FY2019: 4 Medium-Duty Transit Buses
 - FY2020: 2 Medium-Duty Transit Buses
- Implementation of Phases 1 and 2 and elimination of over aged vehicles by FY2023 would require 17 buses in addition to the 13 currently on order.
- Total capital cost for expansion:\$6,260,626

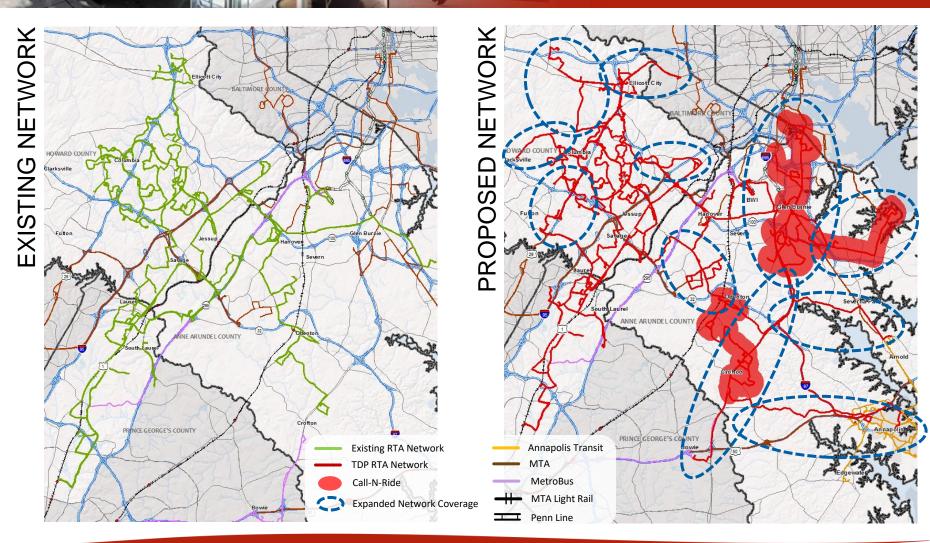

- Expansion Vehicles:
 - FY2018: 5 Medium-Duty Transit Buses
 - FY2019: 4 Medium-Duty Transit Buses
 - FY2020: 2 Medium-Duty Transit Buses
- Implementation of Phases 1 and 2 and elimination of over aged vehicles by FY2023 would require 17 buses in addition to the 13 currently on order.
- Total capital cost for expansion:\$6,260,626

- No specific proposal for immediate implementation.
- Ideas suggested include focus mobility services on where needs are greatest; encourage paratransit riders to use fixed routes; ensure long-term program financial stability.
- Examples of ideas increase use of taxicab services; free fares for seniors/disabled on fixed routes; raise senior age from 60 to 65.
- Recommends discussion with affected communities beginning in Spring/Summer of 2018.

RTA Network

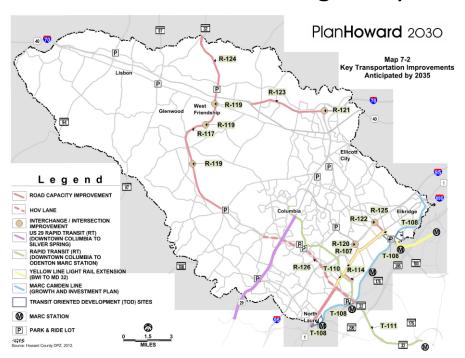

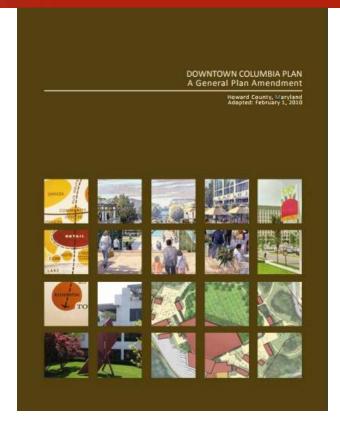

RTA Service & Facility Improvements

- Driver training and customer service.
- Real time bus tracking on mobile devices RouteShout.
- Downtown Columbia Transit Center.
- Marketing and branding to improve/increase name recognition.
- Consolidated fare structure.
- Electronic fare media.
- Bus stop/shelter improvements.

Future Transit Development

- Plan Howard 2030 Rapid Transit Corridors.
- Focus on Route 29 corridor; coordination with Montgomery Co.
